

What's Open?

Bright and vibrant ingredients are used to encapsulate the simple and delicious flavors of the Mediterranean. Simpli is the culinary destination that focuses on simple ingredients with big flavors.

Street Eats

A fan favorite culinary destination, Street Eats is where PwC associates can enjoy and indulge on classics and innovative specialties.

Spice it up at Charred. Our rotating menu of authentic global barbeque flavors will take you on a culinary trip around the world. Take home our in-house BBQ sauces to bring the flavors to friends and family.

MAD MRKT

Your go-to Madison Provisions destination, MAD MRKT features local NY food partners and pop-up events.

Micro Market

A conveniently located micro-market stocked with your favorite snacks and refreshing beverages. Need to eat something, but not ready to commit to a whole meal? Look no further! Open 24/7.

New York's best-loved local roasting company, Brooklyn Roasting Company roasts, packages, wholesales, and retails a broad range of superb and sustainable small-batch coffee based out of the Brooklyn Navy Yard.

How to Order in Person...

Walk up to any kiosk, order, and pay for your food. Pick up your items at their respective stations.

... or on your phone!

Order ahead with the Servery app and pick up at the online order cubbies, located across from the Market Bar.
